

VIDHYA SAGAR WOMEN'S COLLEGE

(Affiliated to University of Madras)

Accredited at 'A' Grade by NAAC

Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust.

Vidhya Sagar Women's College, Chengalpattu visualizes with a view to translating the vision into reality. The college is committed to identify, encourage good learning practices leading to holistic development of rurally based women students in a conducive environment for participative and proactive learning.

It is aimed to provide the future responsible and self reliant citizens

- Academic excellence
- Sense of economic and social independence
- Self confidence
- Social awareness
- Service to the community
- Mentally strong

This Institution was started especially to motivate students from rural background. Its thrust is to motivate their parents rather than motivating the students. The ultimate focus is to bring in a total transformation from the day of students' entry into the college till their graduation. In this institution, the stress is not just on the academic performance but to train them to be independent, morally upright, socially committed and spiritually inspired women, through value added courses and monitored practical learning. The best protection any women can have is courage. To build the self confidence and boost the boldness, all the students undergo karate training classes. The institution strongly believes that healthy practices make the body and mind so strong which will help to grow healthier. That is exactly what yogic sciences emphasizes. To balance the academic and adolescent pressure, yoga training is given to all the students as a regular session. The main thrust of this training is to aim in making the students physically and mentally strong. The institution stands for academic excellence, development of skills and character building based on the motto "Service to humanity is service to the God". Various clubs like Karuna, Enviro CCC and YRC also NSS serve the purposes.
