VSWC

PROSPECTUS

Accredited at "A" Grade by NAAC

Our Inspiration

VIDHYA SAGAR WOMEN'S COLLEGE is named after Shri Iswar Chandra Vidhyasagar, a towering personality committed to the cause of empowering women through education. The motto of the college is Education, Empowerment and Enhancement. The college is housed in a natural environment, aesthetically designed campus which provides a perfect setting for learning with full focus. The college now stands affiliated to the University of Madras and it has been accredited at Grade 'A' by NAAC. It aims at offering job-oriented education to girl students, with a strong stress on practical learning. The college stands for academic excellence, development of skills and character-building and is driven by the motto "Service to humanity is service to God". The college aims to produce intellectually trained, morally upright, socially committed and spiritually inspired women for our country.

Message from the Management

The world is surging ahead at a frantic pace. Women are breaking the stereotypes and raising the bar in all spheres of life, making the sobriquet, 'weaker sex' obsolete. The reason for this paradigm shift is of course, the parents who have realized the importance of educating their girl child. In response to this social need, our educational institution has been founded with the sole intent of providing education to women.

SRI HASTIMALJI SURANA
Chairman
Vidhya Sagar Charitable Trust

SRI N. SUGULCHANDJI JAIN
Chairman
Advisory Board - VSEI

"Quality education at affordable costs" has been the driving motto of Vidhya Sagar Group of educational institutions. In today's world education is not confined to classroom learning and theoretical pursuits. The competitive world demands the students to be equipped with leadership qualities, effective communication abilities, human resource management techniques, better time management, sports skills etc. Our institution aims at providing a unique learning experience, which would equip the students to become competent, self-reliant, quality-conscious and socially responsible citizens. The undercurrent of all these aspects is discipline, which is our prime focus. Through the holistic, value-based and job-oriented education, our students are equipped with multifarious skills and are ready to take on the challenges in this modern world.

Extra-curricular activities and classroom teaching go hand in hand in our campus. Our institution is located in a scenic atmosphere so as to stimulate a harmonious growth of the mind, body and the soul together. We, the management are deeply indebted to all parents of our students who have reposed a tremendous faith in entrusting the future of their children in our hands. We are ever vigilant to fulfil this expectation in all earnestness. We the management, strive to commit all our resources to the cause of women's education, as we remind ourselves of this age-old Chinese adage.

When planning for a year, plant corn.
When planning for a decade, plant trees.
When planning for life, train and educate people.

We give a clarion call to all parents, and students to walk the path of excellence from the portals of our educational institution, and we wish you all the best for coming out in flying colours.

"EDUCATION, EMPOWERMENT, ENHANCEMENT"

Admission Procedure

There is absolutely no need to solicit information about selection. A provisional admission card will be mailed to the selected candidates specifying the time for interview. The receipt of the card by itself does not guarantee admission. Extension of time will not be granted under any circumstances. Rejected applicants will not be intimated.

If a candidate admitted into a course abstains from classes for five or more days continuously her name will be removed from the rolls and the fees paid will not be returned.

Candidates proficient in sport at State or National Level and other extra-curricular activities shall be given preference for admission.

The entire VSWC Campus strictly adheres to pure vegetarianism. Hence practice of non-vegetarianism inside campus is strictly prohibited.

Cultivating Social Responsibility

As part of our ongoing efforts towards inculcating a sense of social responsibility in our students, the college initiated a drive to gather resources for the benefit of Cancer Institute, Adyar. Our students collected a sum of Rs. 18 lakhs during the year 2013-2014, which was handed over to Magsaysay Award Winner and Padmashri Dr. Shantha, Chairman of the Institute.

During the year 2013-14 our students generated a sum of Rs. 7 lakhs as donation to Shankara Nethralaya Eye Hospital. They also wish to donate their eyes by signing eye pledging documents of C.V. Shah Eye Bank, Shankara Nethralaya Eye Hospital.

Madras University Students free education programme

This scheme has been instituted by University of Madras. The +2 students, who will be selected under this scheme, are eligible for award for free admission in the affiliated/ aided/ self-financing colleges for Under Graduate courses. They will be exempted from tuition fee and Hostel fee. For application form and further details, please contact the Public Information Officer, University of Madras, Centenary Building, Chepauk, Chennai – 600 005 immediately.

Fees

Tuition fees shall be paid by every student within the stipulated time as per circular.

Refund of fees will not be entertained for reasons of withdrawal from the course in the middle of academic year.

Rules Governing Admission

How to Apply

Applications from eligible candidates which are submitted in the prescribed form only are considered.

Separate applications must be used for each course. The applicants must read the instructions carefully and make sure that they are eligible to the course they are applying for, as per the University requirements.

Application forms are issued in the name of the candidate seeking admission and are not transferable.

Completed applications can be posted or delivered at the office. Applicants from other states where the results have not been announced can still send their form filled, except the result column, within the deadline. But they must submit their marks within a reasonable time.

The candidates are advised to send their application forms well in advance to avoid any postal delay.

Late or incomplete applications, and those giving false information will be summarily rejected.

There is no need to affix photograph or enclose copies of mark sheets etc., at the time of applying unless asked for. They must be submitted at the time of scrutiny.

Accompanying Documents

The candidates must affix sufficient stamps and mention their address on the acknowledgement card if they want an acknowledgement.

Marks certificate will be verified by the Director of Government Examinations. Marks Certificates, if found bogus, admission will be cancelled and also criminal proceedings will be initiated.

Selected candidates have to produce three passport size photographs of good quality, mark sheets, transfer and conduct certificates and any other documents that may be required by the college in original at the time of admission. The parent or guardian must accompany the candidate at the time of interview.

Applicant passing AISC/CBSE/ISC examination with a minimum of five subjects, including English as compulsory subject, need not obtain the prior eligibility certificate from the University of Madras. They shall, however remit Rs.200/- to the college office at the time of admission towards recognition fees. All other candidates in respect of other school board examinations, both Indian and Foreign, shall obtain the prior eligibility certificate from the University of Madras.

Selected candidates are advised to keep copies of the certificates required, as the originals will be returned only at the end of the course.

Extra-Curricular Activities

Cultural Activities: The College conducts cultural extravaganza "SAGAR SANGAMAM" where several competitions are conducted at the collegiate and intramural level.

Students Seminar: The College hosts state level, inter-collegiate and inter-disciplinary seminars in varied subjects.

Journals: The College publishes "MUTHU CHITHARAL" a Tamil Magazine and "VIDHYA VARDHINI" an English Magazine to tap the creative journalistic skills of the students.

Sports and Games: The College has basketball, volleyball, ball badminton and shuttle courts. Special training for talented students is given in several outdoor games.

N.S.S.: The College has 3 NSS units and a red ribbon club. It has conducted blood donation camps, and has taken up social and community work in the villages adopted by the college.

N.C.C.: One NCC army wing unit with 54 cadets is sanctioned to our college and this is functioning since the academic year 2008-2009.

Youth Red Cross: Knowledge regarding clean environment is shared with students through YRC, which was started during the academic year 2007-2008.

Karuna Club: This club is engaged in bringing out awareness about the environmental problems and to be compassionate towards animals.

Rotaract Club: The College Rotaract club inculcates the attitude of voluntary service in the minds of the students.

Enviro Club: This club is introduced among the students to bring awareness about the environment and its specialties. The College has also initiated the concept of Organic Farming amongst students.

CCC Club: This club gives awareness about Citizen Consumer Rights and their role in the society. This club was started during the academic year 2010.

Distinctive Features

Special Facilities

College Buses:

The College operates a fleet of buses for the easy transportation of students from different points in and around Chengalpattu at a nominal cost.

Digital Resource Centre:

Digital Resource Centre is available in the college library for research students. It consists of computer systems with internet facility dedicated solely to research and information access.

Book Bank:

Each department runs a book bank for the benefit of students who cannot afford to buy text books.

College Cafeteria:

The College Cafeteria is spacious, well ventilated and provides nutritious vegetarian food at reasonable costs.

Accident Cover:

A compulsory group insurance scheme of accident cover is provided to students at a premium of RS. 100/- p.a.

Vidhya Sagar Women's Hostel:

Pure vegetarian food and hostel facilities are available for outstation students in the college premises.

Faculty, Training & Technology

Excellent Academic Training:

Academic excellence can be achieved through the right perspective of both the students and the teachers. Continuous evaluation of the students is done by the teachers. Parent - Teacher meetings are organized to encourage parents participation in the monitoring mechanism. Slow learners are given special attention through re-tests and counselling remedial classes.

Innovative Teaching Methodology:

To sustain the interest of the students and make learning process more meaningful and productive, the new teaching techniques such as smart board classes, role plays, case studies, group discussions, peer teaching, quizzes, brainstorming, audio-visual presentations, assignments and class seminars are introduced.

Students Support Scheme:

Students Counselling Forum & Mentor System:

The system has proved to be very effective in establishing a more meaningful rapport between the students and the staff.

Scholarship and proficiency prize:

The college offers a number of scholarships to the deserving students. The students are also encouraged to apply for scholarships offered by the government. The most proficient students of each class are awarded a gold medal or prize at the end of every academic year.

Language Lab:

A separate lab for enriching the communication skill in English is provided for all the students. Students are trained to acquire and sharpen essential language skills in reading, writing, speaking, listening and creative thinking.

Apart from English and native language which are the parts of the basic academic curriculum, the students are also given training in the national language Hindi.

Personality Development Programme:

The first year students are trained in various skills like team work, time management, creative thinking, accepting responsibility, problem solving, stress management and confidence building.

Placement Cell:

Apart from academics, our institution also focuses on providing job opportunities to the students. In order to endow our final year students with a bright future, we have established a placement cell by giving one hour special training on campus interview by providing.

Self-Defence Programme: (Karate)

To strengthen physical fitness, boldness and courage among the students special coaching in karate is given to all the students.
