## **ANNUAL REPORT 2020-2021**

Vidhya Sagar Women's College had a very fruitful year by way of the academic events that were organized. The holistic education rendered by our college has seen the growth of our students. We prepare young students to be leaders for life with talents, responsibility and above all to be the nation builders who cherish human values. With such a focus, our students are led into a path, for a successful life.

The college has kept pace with the changing world and has been the pioneering spirit behind many innovations in the field of education thus acquiring a well-deserved reputation in academics, extra- curricular and co-curricular activities.

This Annual Report chronicles the major initiatives and events of the College during the academic year. It recognizes the achievements of the students and faculty. In addition, it also provides information on the activities of student societies, institutional social responsibility and prominent visitors to the College during the academic year. The faculty has contributed enormously for the development and reputation of the college. Apart from being associated with academic activities, they are involved in pursuing research, presenting papers and publishing articles.

Our college offers 10 undergraduate and 4 post graduate courses. With a strength of 2223 students, our college assures a wholesome education clubbed with skill courses, to create responsible and self-reliant citizens. In this academic year 843 final year students have successfully completed their university examinations, amongst which 145 students have opted
