CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Vidhya Sagar Women's College focuses in providing a good education to the rural students. The institution follows the choice based curriculum prescribed by the University. Any revision or updation is followed by the institution as and when intimated by the University. To enhance the teaching-learning process video lectures, power point presentations, content related videos etc., through smart boards are the ICT enabled facilities being provided to the students, which help in effective implementation of the curriculum. Traditional learning method is also followed which is supplemented by interactive session. Course out line is submitted by the faculties every semester. Progress of the syllabus is monitored through the system of Internal Academic Audit. Students undergo internships and projects based on the curriculum requirement. This enables the students to have better exposure and hands on experience. The language lab plays an important role in improving and enhancing the communication skills to the students. Library also plays a pivotal role in providing e-learning resources to the students ,through the digital resources center.

Mentor-Mentee system is available in the Institution to bridge gap between teachers and students. Each faculty in the Institution is a mentor for 30 students (1:30 ratio). The mentor gives guidance to the students both in academic matters and personal issues. Mentor-Mentee record is maintained throughout the academic year to monitor the growth of mentee in academics, sports, co-curricular and extracurricular activities. Mentor provides support and counselling to improve the overall performance. Mentor collects personal information of the mentee and updates information about Internal Examination, External Examination, Attendance and Extracurricular activities in the Mentor-Mentee record. The mentor motivates the student to participate in all activities and also gives guidance to improve their academic performance. Mentor-Mentee record keeps track on the discipline and documents individual case study of every mentee, if she encounters any problem and guidance is given to the mentee to overcome the problem.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The Institution believes firmly on continuous assessment evaluation of the students to examine their academic performance. Every quarter semester CIA will be conducted for 50 marks. After completion of the internal examination, the answer scripts are evaluated and marks are given to the students. At the end of the semester, model examination with full portions for 75 marks will be conducted as per the University pattern. The two CIA with two quarter portions help the students to learn more and score marks easily. The CIA helps to monitor the improvement in slow learners and encourages the fast learners by reviewing their performances. After the evaluation of CIA, the subject in charges start to concentrate more on slow learners and faculty in charge allocate the schedule to conduct remedial classes for the slow learners. Result analysis of CIA and model examination will be ensured with the improvement of slow learners

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Academic Calendar of the college is prepared by the Calendar Committee comprising of a team of faculties. The Calendar opens out into a detailed annual planner which includes the events for the year. The dates for two internal assessments and a model examination is mentioned. The time table for the respective exams is prepared two weeks prior to the exam and circulated to students. The individual department activities and college events also takes place in the calendar

7.1.7 - Initiatives taken by the institution to make the campus eco-friendly (at least five)

 Varieties of trees are planted in the college campus to create an Eco friendly environment. 2. To educate and encourage students to lead a healthy life, organic farming is also done within the college campus. 3. Separate garbage bins have been provided for disposal of biodegradable waste and non degradable waste 4.Solar panels are used to save energy. 5. E-Waste management is provided in the campus.6.Before the Government could bring in "Swacha Bharath" concept, in this college, it was in practice. Students are warned not to throw chocolate or any other wastes. Each class is provided with dust bin and there are dust bins in the common places too. When the students have leisure hours and when it is not too hot, they are taken out for clean and green programme.NSS and Organic farming Team involve in maintaining the campus.

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

BEST PRACTICE 1 Meritorial scholarship for the deserving students Objective of the Practice: Objective 1 To appreciate and encourage girl students to pursue higher education, merit scholarships are given to school toppers. 2 Scholarships are provided to the students who excel at district and national level games at school level. 3 To motivate the students to excel in academics merit scholarships are given to University toppers and subject toppers. 4 To encourage sports, scholarships and national and international level games at the college level. The Context : The college is surrounded by many villages. The ultimate aim of this institution is to educate women so as to educate the entire family. Providing scholarships will indirectly motivate the students to pursue higher education and also persuade the parents to educate their girl children. Practice: Vidhya Sagar Women's College encourages the girl children as they are the pillars of the family by providing them merit scholarships. 100 and 50 fees waiver is given to the students from various schools excel in academics. Sports concession (50, 100) is given to the District, State and National level players at the time of their admission. It is being practiced by the institution from the inception period till date to encourage rural women education. The first three toppers of every class in the university exams are awarded 50 deductions in the tuition fee for every academic year in order to boost the competitiveness among the students. Evidence of success: At the initial stage very few students have received scholarships. Subsequently, the number of scholarship awardees have increased to 105.Students are motivated to achieve not only as college toppers, but are also motivated to achieve as University toppers. Resources: As the provision of scholarship is the voluntary

decision of the Management, the financial requirement is met by the management. BEST PRACTICE 2- MANTRA OF SUCCESS - MOS 3.0 Objectives of the practice: 1 To educate young minds to face challenges in the present world 2 To create awareness among the students about the addiction of gadgets and to create awareness about cyber crime. 3 To promote health and hygiene. Practice: This workshop the school students have learnt to defend themselves physically, mentally and socially. It aims to educate students to use their full potential and face challenges in the present world by enhancing intelligence in decision making, increasing self-esteem and protecting them self.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Vidhya Sagar Women's College, Chengalpattu visualizes with a view to translating the vision into reality. The college is committed to identify, encourage good learning practices leading to holistic development of rural based women students in a conducive environment for participative and proactive learning. It is aimed to provide the future responsible and self reliant citizens 1. Academic excellence 2. Sense of economic and social independence 3. Self confidence 4. Social awareness 5. Service to the community 6. Mentally strong. This Institution was started especially to motivate students from rural background. Its thrust is to motivate their parents rather than motivating the students. The ultimate focus is to bring in a total transformation from the day of students' entry into the college till their graduation. In this institution, the stress is not just on the academic performance but to train them to be independent, morally upright, socially committed and spiritually inspired women , through value added courses and monitored practical learning. The best protection any women can have is courage. To build the self confidence and boost the boldness, all the students undergo karate training classes. The institution strongly believes that healthy practices make the body and mind so strong which will help to grow healthier. That is exactly what yogic sciences emphasizes .To balance the academic and adolescent pressure, yoga training is given to all the students as a regular session. The main thrust of this training is to aim in making the students physically and mentally strong. The institution stands for academic excellence, development of skills and character building based on the motto "Service to humanity is service to the God". Various clubs like Karuna, Enviro CCC and YRC also NSS serve the purposes.
