## Mahamantra Paraphrase

I bow down in reverence to all those great souls/beings who have attained ENLIGHTENMENT(who have given-up materialistic desires and attained mastery over all the five senses, intellect and emotions) and are motivating and inspiring others to do the same . Also I wish to become like them . I bow down in reverence to all those souls/beings who have started their journey/pledged their lives to reach the same stage and are motivating and inspiring others to do the same . The holy act of bowing in reverence to these great souls and the spirit of non-materialistic virtues is most benevolent and most soul/thoughts purifying . This act can only cause good to the reciter and is the holiest of all recitations.

# Song of Youth

As a young citizen of India,  
armed with technology, knowledge and love for my nation,  
I realize, small aim is a crime.

I will work and sweat for a great vision,  
the vision of transforming India into a developed nation  
powered by economic strength with value system.

I am one of the citizens of a billion,  
only the vision will ignite the billion souls.  
It has entered into me,  
The ignited soul compared to any resources,  
On the earth, above the earth and under the earth.

I will keep the lamp of knowledge burning  
to achieve the vision - Developed India.

WOMEN'S COLLEGE

G.S.T. Road, Vedhanarayanapuram, Chengalpattu - 603 111.

Iswar Chandra Vidhyasagar was born on 26th September 1820. He spent his childhood in extreme poverty. At the age of eight he came to Kolkata with his father where Thakurdas took book keeping job. He completed his early education in the village, 'Pathshala' and moved to Kolkata for higher studies. Under eminent professors he completed his graduation and earned the title "Vidhyasagar" which means ocean of knowledge.

His contribution to the Bengali society is far more than just scholastic. Vidhyasagar picked up the social reform work where Raja Ram Mohan Roy left it.

Vidhyasagar opened as many as 1200 schools for women in those early days of women education. Bold and articulate life style, honesty, strong, determination, self-respect, tenacity to fight against all odds these characteristics made him a legendary personality. The name of this Institution "Vidhya Sagar Women's College" was suggested by late Shri. Chainmalji Surana, the father of our Co-Chairman, Mr. Hastimal Surana. All the members of the trust unanimously accepted the name because of the greatness behind this name. The name is synonymous to women's education. In order to continue the noble cause of Sri Vidhyasagar we have started our Institution in the name of Vidhya Sagar Women's College. The college now stands affiliated to the University of Madras. It aims at offering job oriented education to women students, with a strong stress on practical learning.

## Mahamantra Paraphrase

I bow down in reverence to all those great souls/beings who have attained ENLIGHTENMENT(who have given-up materialistic desires and attained mastery over all the five senses, intellect and emotions) and are motivating and inspiring others to do the same . Also I wish to become like them . I bow down in reverence to all those souls/beings who have started their journey/pledged their lives to reach the same stage and are motivating and inspiring others to do the same . The holy act of bowing in reverence to these great souls and the spirit of non-materialistic virtues is most benevolent and most soul/thoughts purifying . This act can only cause good to the reciter and is the holiest of all recitations.

# Song of Youth

As a young citizen of India,  
armed with technology, knowledge and love for my nation,  
I realize, small aim is a crime.

I will work and sweat for a great vision,  
the vision of transforming India into a developed nation  
powered by economic strength with value system.

I am one of the citizens of a billion,  
only the vision will ignite the billion souls.  
It has entered into me,  
The ignited soul compared to any resources,  
On the earth, above the earth and under the earth.

I will keep the lamp of knowledge burning  
to achieve the vision - Developed India.

vidhya sagar  
WOMEN'S COLLEGE

G.S.T. Road, Vedhanarayanapuram, Chengalpattu - 603 111.

Iswarchandra Vidhyasagar was born on 26th December 1820. He spent his childhood in extreme poverty. At the age of eight he came to Calcutta with his father where Thakurdas took book keeping job. He completed his early education in the village, 'Pathasala' and moved to Kolkatta for higher studies. Under eminent professors he completed his graduation and earned the title "Vidyasagar" which means ocean of knowledge.

His contribution to the Bengali society is far more than just scholastic. Vidhyasagar picked up the social reform work where Raja Rammohan Roy left it.

Vidhyasagar opened as many as 1200 schools for women in those early days of women education. Bold and articulate life style, honesty, strong, determination, self-respect, tenacity to fight against all odds these characteristics made him a legendary personality. The name of this Institution "Vidhyasagar Women's College" was suggested by late Sri. Chainmalji Surana, the father of our Co-Chairman, Mr. Hastimal Surana. All the members of the trust unanimously accepted the name because of the greatness behind this name. The name is synonymous to Women's Education. In order to continue the noble cause of Sri Vidhyasagar we have started our Institution in the name of Vidhyasagar Women's College. The College now stands affiliated to the University of Madras. It aims at offering job oriented education to women students, with a strong stress on practical learning.

The college stands for academic excellence, development of skills and character building based on the motto "service to humanity is service to God". The college aims to produce intellectually trained, morally upright, socially committed and spiritually inspired women for our country.

## தமிழ்த்தாய் வாழ்த்து

நீராருங் கடலுடுத்த நிலமடந்தைக் கெழிலொழுகும்  
சீராரும் வதனமெனத் திகழ்பரதக் கண்டமிதில்  
தெக்கணமும் அதிர்சிறந்த திராவிடநல் திருநாடும்  
தக்கசிறு பிறைநுதலும் தரித்தநறுந் திலகமுமே

## Mahamantra Paraphrase

I bow down in reverence to all those great souls/beings who have attained ENLIGHTENMENT(who have given-up materialistic desires and attained mastery over all the five senses, intellect and emotions) and are motivating and inspiring others to do the same . Also I wish to become like them . I bow down in reverence to all those souls/beings who have started their journey/pledged their lives to reach the same stage and are motivating and inspiring others to do the same . The holy act of bowing in reverence to these great souls and the spirit of non-materialistic virtues is most benevolent and most soul/thoughts purifying . This act can only cause good to the reciter and is the holiest of all recitations.

# Song of Youth

As a young citizen of India,  
armed with technology, knowledge and love for my nation,  
I realize, small aim is a crime.

I will work and sweat for a great vision,  
the vision of transforming India into a developed nation  
powered by economic strength with value system.

I am one of the citizens of a billion,  
only the vision will ignite the billion souls.  
It has entered into me,  
The ignited soul compared to any resources,  
On the earth, above the earth and under the earth.

I will keep the lamp of knowledge burning  
to achieve the vision - Developed India.

- Dr. A.P.J. Abdul Kalam  
(Former President of India)

❖ If you walk the path everyone walks, you will reach where everyone reaches. ❖

G.S.T. Road, Vedhanarayanapuram, Chengalpattu - 603 111.

Iswarchandra Vidhyasagar was born on 26th December 1820. He spent his childhood in extreme poverty. At the age of eight he came to Calcutta with his father where Thakurdas took book keeping job. He completed his early education in the village, 'Pathasala' and moved to Kolkatta for higher studies. Under eminent professors he completed his graduation and earned the title "Vidyasagar" which means ocean of knowledge.

His contribution to the Bengali society is far more than just scholastic. Vidhyasagar picked up the social reform work where Raja Rammohan Roy left it.

Vidhyasagar opened as many as 1200 schools for women in those early days of women education. Bold and articulate life style, honesty, strong, determination, self-respect, tenacity to fight against all odds these characteristics made him a legendary personality. The name of this Institution "Vidhyasagar Women's College" was suggested by late Sri. Chainmalji Surana, the father of our Co-Chairman, Mr. Hastimal Surana. All the members of the trust unanimously accepted the name because of the greatness behind this name. The name is synonymous to Women's Education. In order to continue the noble cause of Sri Vidhyasagar we have started our Institution in the name of Vidhyasagar Women's College. The College now stands affiliated to the University of Madras. It aims at offering job oriented education to women students, with a strong stress on practical learning.

The college stands for academic excellence, development of skills and character building based on the motto "service to humanity is service to God". The college aims to produce intellectually trained, morally upright, socially committed and spiritually inspired women for our country.

## Mahamantra Paraphrase

I bow down in reverence to all those great souls/beings who have attained ENLIGHTENMENT (who have given-up materialistic desires and attained mastery over all the five senses, intellect and emotions) and are motivating and inspiring others to do the same . Also I wish to become like them . I bow down in reverence to all those souls/beings who have started their journey/pledged their lives to reach the same stage and are motivating and inspiring others to do the same . The holy act of bowing in reverence to these great souls and the spirit of non-materialistic virtues is most benevolent and most soul/thoughts purifying . This act can only cause good to the reciter and is the holiest of all recitations.

# Song of Youth

As a young citizen of India,  
armed with technology, knowledge and love for my nation,  
I realize, small aim is a crime.

I will work and sweat for a great vision,  
the vision of transforming India into a developed nation  
powered by economic strength with value system.

I am one of the citizens of a billion,  
only the vision will ignite the billion souls.  
It has entered into me,  
The ignited soul compared to any resources,  
On the earth, above the earth and under the earth.

I will keep the lamp of knowledge burning  
to achieve the vision - Developed India.

❖ Adapt what is useful, reject what is useless, and add what is specifically your own. ❖

G.S.T. Road, Vedhanarayanapuram, Chengalpattu - 603 111.

Iswarchandra Vidhyasagar was born on 26th December 1820. He spent his childhood in extreme poverty. At the age of eight he came to Calcutta with his father where Thakurdas took book keeping job. He completed his early education in the village, 'Pathasala' and moved to Kolkatta for higher studies. Under eminent professors he completed his graduation and earned the title "Vidyasagar" which means ocean of knowledge.

His contribution to the Bengali society is far more than just scholastic. Vidhyasagar picked up the social reform work where Raja Rammohan Roy left it.

Vidhyasagar opened as many as 1200 schools for women in those early days of women education. Bold and articulate life style, honesty, strong, determination, self-respect, tenacity to fight against all odds these characteristics made him a legendary personality. The name of this Institution "Vidhyasagar Women's College" was suggested by late Sri. Chainmalji Surana, the father of our Co-Chairman, Mr. Hastimal Surana. All the members of the trust unanimously accepted the name because of the greatness behind this name. The name is synonymous to Women's Education. In order to continue the noble cause of Sri Vidhyasagar we have started our Institution in the name of Vidhyasagar Women's College. The College now stands affiliated to the University of Madras. It aims at offering job oriented education to women students, with a strong stress on practical learning.

The college stands for academic excellence, development of skills and character building based on the motto "service to humanity is service to God". The college aims to produce intellectually trained, morally upright, socially committed and spiritually inspired women for our country.

## தமிழ்த்தாய் வாழ்த்து

நீராருங் கடலுடுத்த நிலமடந்தைக் கெழிலொழுகும்

## Mahamantra Paraphrase

I bow down in reverence to all those great souls/beings who have attained ENLIGHTENMENT (who have given-up materialistic desires and attained mastery over all the five senses, intellect and emotions) and are motivating and inspiring others to do the same . Also I wish to become like them . I bow down in reverence to all those souls/beings who have started their journey/pledged their lives to reach the same stage and are motivating and inspiring others to do the same . The holy act of bowing in reverence to these great souls and the spirit of non-materialistic virtues is most benevolent and most soul/thoughts purifying . This act can only cause good to the reciter and is the holiest of all recitations.

❖ Do one thing every day that scares you ❖

## Prayer Paraphrase

Oh God full of mercy and value, source of all virtues and knowledge I promise that, I shall always be cheerful and happy throughout my life, get knowledge, follow the path of truth and non-violence, abandon grief, vanity and evil. Always wish for the welfare of all, not to be afraid of doing right things.

Oh God! I pray to you for sound mind, fine speech and good existence.

❖ You are never too old to set another goal or to dream a new dream ❖

## Pledge

India is my country. All Indians are my brothers and sisters.

I love my country and I am proud of its rich and varied heritage.

I shall always strive to be worthy of it.

I shall give my parents, teachers and all elders respect and treat everyone with courtesy.

# Song of Youth

As a young citizen of India,  
armed with technology, knowledge and love for my nation,  
I realize, small aim is a crime.

I will work and sweat for a great vision,  
the vision of transforming India into a developed nation  
powered by economic strength with value system.

I am one of the citizens of a billion,  
only the vision will ignite the billion souls.  
It has entered into me,  
The ignited soul compared to any resources,  
On the earth, above the earth and under the earth.

I will keep the lamp of knowledge burning  
to achieve the vision - Developed India.

- Dr. A.P.J. Abdul Kalam  
(Former President of India)

❖ The only true wisdom is in knowing you know nothing ❖

G.S.T. Road, Vedhanarayanapuram, Chengalpattu - 603 111.

Iswarchandra Vidhyasagar was born on 26th December 1820. He spent his childhood in extreme poverty. At the age of eight he came to Calcutta with his father where Thakurdas took book keeping job. He completed his early education in the village, 'Pathasala' and moved to Kolkatta for higher studies. Under eminent professors he completed his graduation and earned the title "Vidyasagar" which means ocean of knowledge.

His contribution to the Bengali society is far more than just scholastic. Vidhyasagar picked up the social reform work where Raja Rammohan Roy left it.

Vidhyasagar opened as many as 1200 schools for women in those early days of women education. Bold and articulate life style, honesty, strong, determination, self-respect, tenacity to fight against all odds these characteristics made him a legendary personality. The name of this Institution "Vidhyasagar Women's College" was suggested by late Sri. Chainmalji Surana, the father of our Co-Chairman, Mr. Hastimal Surana. All the members of the trust unanimously accepted the name because of the greatness behind this name. The name is synonymous to Women's Education. In order to continue the noble cause of Sri Vidhyasagar we have started our Institution in the name of Vidhyasagar Women's College. The College now stands affiliated to the University of Madras. It aims at offering job oriented education to women students, with a strong stress on practical learning.

The college stands for academic excellence, development of skills and character building based on the motto "service to humanity is service to God". The college aims to produce intellectually trained, morally upright, socially committed and spiritually inspired women for our country.
