I am extremely privileged to present the 18th Annual Report of the College.

The holistic education rendered by our college has seen the growth of our students. We prepare young students to be leaders for life with talents, responsibility and above all to be the nation builders who cherish human values. With such a focus, our students are led into a path, for a successful life.

Our college offers 10 undergraduate and 3 post graduate courses. With a strength of 2000 students, our college assures a wholesome education clubbed with skill courses, to create responsible and self reliant citizens. Our students excel in academics, sports, extracurricular and co-curricular activities. Each and every step that our institution takes is proving a proud tradition of maintaining highest standard of education. The contribution to our students and our students' contribution to the college and to the society are highlighted in this report which bears witness to the institutional growth during the academic year 2022-2023. My appreciation goes to everyone who has rendered their mind and heart to the development of our college and of our students.

Our faculty members and students have participated in various Faculty Development Programmes, International Conferences, Seminars and Workshops, organized at the national and International levels giving way for outbound learning. With such wholesomeness, our institution has proved its worth by showing its valour not only in academics, but also in co-curricular and extra curricular activities.
