MAHAMANTRA PARAPHRASE

I bow down in reverence to all those great souls/beings who have attained ENLIGHTENMENT (who have given-up materialistic desires and attained mastery over all the five senses, intellect and emotions) and are motivating and inspiring others to do the same. Also I wish to become like them. I bow down in reverence to all those souls / beings who have started their journey / pledged their lives to reach the same stage and are motivating and inspiring others to do the same. The holy act of bowing in reverence to these great souls and the spirit of non-materialistic virtues is most benevolent and most soul / thoughts purifying. This act can only cause good to the reciter and is the holiest of all recitations.

Song of Youth

As a young citizen of India,
armed with technology, Knowledge and love for my nation,
I realize, small aim is a crime.

I will work and sweat for a great vision,
the vision of transforming India into a developed nation
powered by economic strength with value system.

I am one of the citizens of a billion,
only the vision will ignite the billion souls.
It has entered into me,
The ignited soul compared to any resources,
On the earth, above the earth and under the earth,

I will keep the lamp of knowledge burning
to achieve the vision-Developed India.
