Mahamantra Paraphrase

I bow down in reverence to all those great souls/beings who have attained ENLIGHTENMENT(who have given-up materialistic desires and attained mastery over all the five senses, intellect and emotions) and are motivating and inspiring others to do the same . Also I wish to become like them . I bow down in reverence to all those souls/beings who have started their journey/pledged their lives to reach the same stage and are motivating and inspiring others to do the same . The holy act of bowing in reverence to these great souls and the spirit of non-materialistic virtues is most benevolent and most soul/thoughts purifying . This act can only cause good to the reciter and is the holiest of all recitations.

Meaning of Gayatri Mantra

We contemplate the glory of light illuminating
The three worlds:

Gross, Subtle and Casual,

I am that vivifying power, lover, radiant illumination,

And divine grace of universal intelligence.

We pray for the divine light to illuminate our minds.

always pray for success.

Song of Youth

As a young citizen of India,
armed with technology, knowledge and love for my nation,
I realize, small aim is a crime.

I will work and sweat for a great vision,
the vision of transforming India into a developed nation
powered by economic strength with value system.

I am one of the citizens of a billion,
only the vision will ignite the billion souls.
It has entered into me,
The ignited soul compared to any resources,
On the earth, above the earth and under the earth.

I will keep the lamp of knowledge burning
to achieve the vision - Developed India.

> - Dr. A.P.J. Abdul Kalam

G.S.T. Road, Vedhanarayanapuram, Chengalpattu - 603 111.

Iswar Chandra Vidhya Sagar was born on 26th September1820. He spent his childhood in extreme poverty. At the age of eight he came to Kolkata with his father where Thakurdas took book keeping job. He completed his early education in the village, 'Pathshala' and moved to Kolkata for higher studies. Under eminent professors he completed his graduation and earned the title "Vidhyasagar" which means ocean of knowledge.

His contribution to the Bengali society is far more than just scholastic. VidhyaSagar picked up the social reform work where Raja Ram Mohan Roy left it.
