Mahamantra Paraphrase

I bow down in reverence to all those great souls/beings who have attained ENLIGHTENMENT(who have given-up materialistic desires and attained mastery over all the five senses, intellect and emotions) and are motivating and inspiring others to do the same . Also I wish to become like them . I bow down in reverence to all those souls/beings who have started their journey/pledged their lives to reach the same stage and are motivating and inspiring others to do the same . The holy act of bowing in reverence to these great souls and the spirit of non-materialistic virtues is most benevolent and most soul/thoughts purifying . This act can only cause good to the reciter and is the holiest of all recitations.

Song of Youth

As a young citizen of India,
armed with technology, knowledge and love for my nation,
I realize, small aim is a crime.

I will work and sweat for a great vision,
the vision of transforming India into a developed nation
powered by economic strength with value system.

I am one of the citizens of a billion,
only the vision will ignite the billion souls.
It has entered into me,
The ignited soul compared to any resources,
On the earth, above the earth and under the earth.

I will keep the lamp of knowledge burning
to achieve the vision - Developed India.

- Dr. A.P.J. Abdul Kalam
